

Dear Parents,

The long awaited summer vacation is here, bringing with it the gift of togetherness that is spent in exploring books, storytelling and playing games. These days are precious and invaluable standing out as the most memorable days of childhood.

We should always remind ourselves that children will not remember us for the gifts we shower upon them but will always cherish the time you spent with your little ones. It's time to nurture young minds, inculcate moral values and narrate family anecdotes to keep them in touch with their roots.

Few reminders for the students:

- Meditate and do simple yoga exercises.
- Learn to dress yourself, button yours shirts and tie your shoe laces on your own.
- Water the plants and feed the birds.
- Join your grandparents and parents for their morning walk.
- Give away toys and clothes that you do not need.
- Don't watch too much of television.
