Father's Day Celebration :19th June

Father's Day is a celebration of fathers, honouring fatherhood and paternal bonds and the role fathers play in society.

This day celebrates fatherhood and male parenting. Although it is celebrated on a variety of dates worldwide, many countries observe this day on the third Sunday in June.

Activity on father's day

Children are requested to make attractive and beautiful cards for their father.

F- Faithful and true
A-Always there to guide you
T-Teaches you right things and to do no wrong
H-His counsels are my songs
E-Ever firm in imparting his ideals and principles
R-Ready to catch me each time I fall

My father was, is and always will be,
An impeccable stature of heroism and cavalry;
He never fails to show his love for me,
His arms are my shelter and felicity.

Happy Fathers' day!
Won't take a miss to greet you today.
For the rest of my days I'll honor you Dad,
I promise to keep you proud and glad.
